

REMARKS/ARGUMENTS

After amendment, the pending claims are 1-6, 8-12, 14, 15, 17, 20, 26, 29, 33, 34, 36, and 39. Claims 7, 13, 16, 18, 19, 21-25, 27, 28, 30-32, 35, and 37-38 were canceled, without prejudice, to reduce the number of claims. The claims were amended herein to remove multiple dependent claim language and to correct minor clerical errors. No new matter is added by these amendments.

The specification was amended to insert the "Cross-Reference to Related Applications" and to provide a heading for the federally sponsored research.

Further, if the Examiner does not find the figures as published with the PCT application acceptable, Applicant has enclosed substitute sheets of the figures.

The Director is hereby authorized to charge any deficiency in any fees due with the filing of this paper or during the pendency of this application, or credit any overpayment in any fees to our Deposit Account Number 08-3040.

Respectfully submitted,

HOWSON AND HOWSON
